

RADICALISATION & PREVENT

Introduction

This workshop aims to explain the process of radicalisation, how to identify when someone may be vulnerable to radicalisation and how to raise concerns. It will provide an understanding of the Prevent Strategy and the safeguarding context.

Learning outcomes

On completion of this course participants will:

- Have an awareness about who may be vulnerable to being drawn into terrorism
- Have an understanding of why some people are able to influence and manipulate others to commit crime and radicalise others
- Be able to recognise when a vulnerable individual may need help
- Have an understanding of the aims of Prevent (part of UK Counter Terrorism strategy)
- Be clear on what help and support looks like and how to report concerns about radicalisation
